

## Colonial Lodge

**ENDEARING.** Reminiscent of a pioneer's beautiful log home, this tree length lodge log model with chinking, notched eaves, flair porch posts and stone foundation is endearingly accented by family gathering spaces throughout three levels. A fabulous wrap around porch ends in a roomy screened porch on the rear of the home. Solid Northern White Cedar log siding and paneling finishes gleam on the interior of this home that features a study, bonus room, exercise room, and recreation room in addition to spacious living and sleeping areas.
