MOUNTAIN RUSTIC

Eagle's Nest

HILLTOP DESIGN. This western influenced design is perfect for a secluded airid or snowy mountaintop setting. Finished with reclaimed timbers, custom exterior trusses, log siding with chinking, natural stonework and a metal roof, the Eagle's Nest offers beauty, durability and functionality in any setting. Interior cathedral ceilings in the great room, a granite kitchen and three levels of living spaces add to the the design's spacious, lofty appeal. In this rustic home, the main floor master suite includes an adjoining private study, while two separate bedrooms feature bathrooms en suite. The lower level boasts another den or recreation area with full bathroom, which can also be used as guest quarters. Enjoy mountain living at its finest in the Eagle's Nest!
