MOUNTAIN RUSTIC

Lakota Lodge

MASTERPIECE. The Lakota Lodge is a masterpiece of spacious family living areas on three levels, beautifully handcrafted using Town & Country milled Northern White Cedar. Generations will enjoy the triple fireplaces, extensive decking, and thoughtful gathering spaces in this mountain living design. Massive full log king trusses span the great room and welcome guests at the front entrance. A double story radial bay adds flair to the dining area and lower level exercise area. With a massive modified prow design, you'll enjoy an unobstructed view of your favorite mountain peaks in any season.
