LAKEFRONT LUXURY. The Newcastle model offers three levels of sophisticated gathering spaces that take advantage of your lakefront or view property. Complete with beach access and secondary living and sleeping rooms on the lower level, there's no reason not to consider this home the ultimate in luxury lakeside living. Crafted of Northern White Cedar shingles, siding and timber trim, this home features many custom design details such as notched roof overhangs, two tone exterior wood stain, glass railings for unobstructed deck views, workout/bonus room over garage, private master bedroom deck, attached three car garage and in-floor heat on the lower level.
